Guest Speaker – Bill Wanamaker – Sussex Fire Department

Third generation - his father was involved with the fire department and his son is now a member. There is a 40 member force. They are paid when they are called out and all other hours are volunteer. Last year they had a total of 3550 volunteer hours and 2200 of these hours were spent in training. There is one paid fire fighter at the station. They had approx 199 calls last year. They hold recruitment each spring. They hold their training for level one during the months of January to March. There is a total of 220 hours of training for a new fire fighter. They are called out to assist with floods, medical, hazardous materials and smells in buildings. They do tours for Guides, Scouts and daycares. They hold fire drills at senior's complex approximately 2 per year. There is a fire program in the schools for K to 3. All their gear is tested regularly. Each call they receive has to be documented and the information is sent to the Fire Marshalls office. They are still planning on building a training tower in the Industrial Park. This facility will be used by other fire departments in the area as well. The life expectancy of a truck is 25 years.
