## COWBELL

January 7, 2008

**Attendance:** *Frank D., Harley, Donna, Bob, Robert, Andrew, Roger, Peter, Murray, Frank S., and Don*

**Absent:** Lou, Dana, Kim C., Kim P., Keri, Tom, Haley and Beverly

**Guest Speaker:** **Robin Doull, Administrator of Sussex Hospital**

Robin is also the Chairman of the Sussex Health Services Ltd, which is the foundation responsible for fund raising for the Sussex Health Service Centre. Their big project, currently on the go, is for upgrades to the Ultra-sound services provided at the hospital to more modern capabilities. The primary advantages to this upgrade would be going digital and being able to improve quality of images. Robin advised that by going digital, files would be easier to move around, without quality loss and quality itself could be compared to what we were used to seeing on television in the 70's versus today. This project alone is expected to cost Approx: \$300,000 and should take 2 – 3 years to complete. The foundation is also responsible for fundraising for any upgrades to the surgical/ OR capabilities.

His role as Administrator of the hospital involves the day o day operation of the unit. His talk was very informative as to his role in these two positions and gave us an overview as to where the Sussex Health Centre would continue to play an important role in heath services within our community, in the future.

### Upcoming Events

Robert Lockhart is looking into a potential tour of the new LNG facilities being built by Irving Oil in Saint John. This still very preliminary, as he was trying to get a feel if we should proceed. Enthusiasm was sufficient to proceed and we will be advised as more information becomes available.
