GUEST SPEAKER-Derek Jones-Work Room coordinator school dist #6

-This is a resource center for children and adults alike in the Sussex, Hampton and Bellisle area and it works out an office in each of the area high schools. Derek works 2 days in Bellisle and 3 days weekly in Sussex.

-The project is funded jointly by school dist 6 and post secondary education department

-It has been running now for 1 year in Sussex

-They also cover Pals in Sussex and Hampton

-Derek gave us a power point presentation on how the process works in finding out what peoples interests are and trying to match them to careers they are suited to based on a detailed questionnaire.

-The process seems to make a lot of sense and while it is voluntary on the part of students it would likely benefit all who take it.

-A good presentation Derek
