### Guest Speaker

Guest speaker was Gary Crosman. Gary is Principal of Sussex Elementary. He is very excited to be here, after being Vice Principal in Belleisle for seven years. Prior to this, he completed terms as teacher and physical education teacher. He shared some insight into the programs now implemented in SES and changes he has made. These changes include installing three basketball nets, each costing \$1,000 for grades 3,4,& 5. Fitness is very important to young children. They are not yet paid for but he said it was important to get them in first and figure that out later. He was very excited about the Coats for Kids Campaign and sees first hand the benefits to the recipients. We happened to mention to him how great and beneficial it would be to have a member of the faculty in our membership. We will talk more about that later. Also, next week is Career week and individuals willing to share their experience are encouraged to call the school 432-2019 to speak to a class.

### Community News

Harley commented on the pool, confirming that Shawn Graham committed to a pool but the dates are to be determined. This was also in the KCR this week.

### Coats for Kids

Coats for Kids campaign was discussed and it looks like our requests are higher than budgeted for. We have received 64 requests. This is to be discussed further during our business meeting on October 30th.

### Membership Update

A couple of members were ready with their potential members names for Kim when asked. Way to go!!
